

Glendale's Cudd Families

Census Enumerators listed names and dates as they understood the registrant who oft times had little or no education which led to numerous errors in names, dates and ages. I have tried to copy the census as recorded, where errors occur, I apologize. Death certificates are not available in Spartanburg for years before 1917 and Obituaries have not been put on microfilm for the years 1924 through 1929.

Writer's comments; I knew a most of the members of the Cudd families. They were typical hard working factory workers, honest, friendly and straightforward in their relationships. Some were members of the [Methodist Church, The Wesleyan Church and the Baptist Church](#) here at [Glendale](#).

[Charles Corn](#) who married Helen Cudd was this writer's first cousin. He was a peach of a guy. He and his family were most active in the [Glendale Baptist Church](#) before moving from [Glendale](#) a few years before his death.
