

The Family of Walter F. and Delilah Lominac Hutchings

Census Enumerators listed names and dates as they understood the registrant who oft times had little or no education which led to numerous errors in names, dates and ages. Writers comments; Referred to as Hutchins in some records, I knew all the Hutchings well. They lived just across the river from [Glendale Mill](#) and a small stream from my Grandparents. They were wonderful people and were members of the [Glendale Methodist Church](#) and faithful employees of [Glendale Mills](#). They were community minded.
