# The Family and Descendants of Arthur G. Mabry

Census Enumerators listed names and dates as they understood the registrant who oft times had little or no education which led to numerous errors in names, dates and ages. I have tried to copy the census as recorded, where errors occur, I apologize. Death certificates are not available in Spartanburg for years before 1917 and Obituaries have not been put on microfilm for the years 1924 through 1929.

Writer's comments; I knew all the Mabry family. They were good hard working, loving and well liked in the community. I believe all but the Lee IIa and Brondell worked in <u>Glendale</u> <u>Mill</u> at one time. Arthur was a jovial man and liked to tease about things.
