

The Glendale Mason Families

Census Enumerators listed names and dates as they understood the registrant who oft times had little or no education which led to numerous errors in names, dates and ages. I have tried to copy the census as recorded, where errors occur, I apologize. Death certificates are not available in Spartanburg for years before 1917 and Obituaries have not been put on microfilm for the years 1924 through 1929.

Writer's comments; I only knew Robert, Laura, Elmore and Margaret Mason. They lived on [Clifton Street](#) in the village. ([Chaffin Street](#) today) They were faithful employees of [Glendale Mills](#) and were quiet, good, kind, low key natured people. They were loyal employees of [Glendale Mills](#).
